

# Take the complexity out of your company's compliance.

Automate your compliance with the frameworks demanded by your industry, customers and partners and secure your business data with Naq.

Integro customers can now get 20% off their Naq subscriptions as an exclusive offer.

Trusted by leading SMEs & Contractors.

## Automate Compliance Accelerate Growth.

Naq automates your compliance with the frameworks required by your customers, from GDPR and ISO 27001 to industry-specific standards like NHS DSPT and MODDART.

While compliance is crucial, it's just one piece of the puzzle. Naq also guides you in implementing the essential security controls to ensure your data and that of your customers is protected.

Simplify compliance, enhance data security, and protect your reputation, all with Naq's intuitive platform.

**Automated compliance with GDPR, ISO27001, Cyber Essentials & more.**

"Naq ensures that our business is compliant and our data stays secure. Their platform brings together all of our compliance policies into a single dashboard, making it easy to see where we stand, even as our business becomes more complex"

**Accelerate customer trust by proving your commitment to keeping their data secured.**

"Naq has been instrumental in achieving compliance and security, obtaining ISO27001 certification and shortening our sales-cycle by easily demonstrating our compliance to enterprise customers."

**Compliance, cyber security & due diligence, all in one comprehensive platform.**

"As a small business, data compliance and cyber security can feel overwhelming. Naq has combined all the processes and policies that we need in to one easy to use platform"
